Start - City of Montauban

In the purest tradition of the Dakar, after the picture at the Eiffel Tower in Paris, and the crossing of France, the rally will stop in Montauban, on the legendary National 20 which welcomed the Dakar several times in the old days.

After the technical checks on October 15th in the Albasud area, the city center and the famous "place des fontaines" will welcome the closed park. In the evening a start ceremony with presentation of each participants. A warm and festive moment for everybody !

On October 16th the warm up tour of the participants will take place in the municipality of Montauban before the rally leaves to Morocco.
